SUPPLEMENTARY INFORMATION: The Longshore and Harbor Workers' Compensation Act requires a covered employer to secure the payment of compensation under the Act and its extensions by purchasing insurance from a carrier authorized by the Secretary of Labor to write Longshore Act insurance, or by becoming an authorized self-insured employer. See 33 U.S.C. 932. Each authorized insurance carrier or carrier seeking authorization is required to establish annually that its Longshore Act obligations are fully secured through an applicable state guaranty or analogous fund, a deposit of security with the Division of Longshore and Harbor Workers' Compensation (DLHWC), or a combination of both. Similarly, each authorized self-insurer or employer seeking authorization is required fully to secure its Longshore Act obligations by depositing security with the DLHWC. These requirements are designed to assure the prompt and continued payment of compensation and other benefits by the responsible carrier or self-

insurer to injured workers and their survivors. Forms associated with this information collection (Forms LS-275 IC, Agreement and Undertaking (Insurance Carrier); LS-275 SI, Agreement and Undertaking (Self-Insured Employer); and LS-276, Application for Security Deposit Determination) obtain information used to determine appropriate security deposit amounts and to insure compliance with the security deposit requirements.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1240-0005.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on November 30, 2013. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. It should also be noted that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the Federal Register on June 12, 2013 (78 FR 35326).
